VERIFICATION WORKSHEET 2017 - 2018 (V4)

Your 2017 - 2018 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm information reported on your FAFSA. To verify that you and/or your parents provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You, if a dependent student you and one of your parents, must complete and sign this worksheet, attach any required documents and submit the form and required attachments to the financial aid administrator at your school. Your school may ask for additional information. If you have questions, contact your financial aid administrator at your school as soon as possible so that your financial aid will not be delayed.
