**VERIFICATION WORKSHEET 2019 - 2020 (V5)**

Your 2019 - 2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and/or your parents reported on your FAFSA. To verify that you and/or your parents provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You, if a dependent student you and one of your parents, must complete and sign this worksheet, attach any required documents and submit the form and required attachments to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator at your school as soon as possible so that your financial aid will not be delayed.

## C. Income Information

### TAX RETURN FILERS Section

If **DEPENDENT**, the instructions below apply to each parent included in the household. Notify the financial aid administrator at your school if the parents filed separate IRS income tax returns for 2017 or had a change in marital status after December 31, 2017.

Complete this section if the parents filed or will file a 2017 IRS income tax return(s).

If **INDEPENDENT**, the instructions below apply to you and your spouse, if married. Notify the financial aid administrator at your school if you or spouse filed separate IRS income tax returns for 2017 or had a change in marital status after December 31, 2017.

Complete this section if you and spouse filed or will file a 2017 IRS income tax return(s).

The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at [FAFSA.gov](http://FAFSA.gov). In most cases, no further documentation is needed to verify 2017 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed by the FAFSA filer. If the parent or student has not already used the tool, go to [FAFSA.gov](http://FAFSA.gov), log in to the student's FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if the parent or student is eligible to use the IRS Data Retrieval Tool to transfer 2017 IRS income tax information into the student's FAFSA.

#### Check the box that applies:

- The parents if dependent, or the student if independent have used the IRS DRT in *FAFSA on the Web* to retrieve and transfer 2017 IRS income tax return information into the student's FAFSA. *The student's school will use the IRS information that was transferred for the verification process.*
- The parents if dependent, or the student if independent have not yet used the IRS DRT in *FAFSA on the Web*, but will use the tool to retrieve and transfer 2017 IRS income tax return information into the student's FAFSA once the 2017 IRS income tax return has been filed. *See instructions above for information on how to use the IRS Data Retrieval Tool. The student's school cannot complete the verification process until the IRS information has been transferred into the FAFSA.*
- The parents if dependent, or the student if independent are unable or choose not to use the IRS DRT in *FAFSA on the Web*, and instead will provide the school a **2017 IRS Tax Return Transcript(s)** – not a photocopy of the income tax return. *To obtain an IRS Tax Return Transcript: (1) Online - go to [www.irs.gov](http://www.irs.gov), under the Tools heading on the IRS homepage, click "Get a tax transcript"; (2) Telephone request – call 1-800-908-9946; or (3) Paper request form – IRS Form 4506-T-EZ or IRS Form 4506-T. Make sure to request the "IRS Tax Return Transcript" and **NOT** the "IRS Tax Account Transcript."*

In most cases, for electronic tax return filers, 2017 IRS income tax return information is available for the IRS DRT or the IRS Tax Return Transcript within 2–3 weeks after the 2017 electronic IRS income tax return has been accepted by the IRS. Generally, for filers of the 2017 paper IRS income tax returns, the 2017 IRS income tax return information is available for the IRS DRT or the IRS Tax Return Transcript within 6–8 weeks after the 2017 paper IRS income tax return has been received by the IRS. If you need more information about using the IRS Data Retrieval Tool or obtaining an IRS Tax Return Transcript, contact your financial aid administrator at your school.

If the parents for a dependent student, or if the student and spouse for an independent student filed separate 2017 IRS income tax returns, the IRS DRT cannot be used and the 2017 IRS Tax Return Transcript must be provided for each.

- Check here if a 2017 IRS Tax Return Transcript is attached to this worksheet.
- Check here if a 2017 IRS Tax Return Transcript will be provided later. *Verification cannot be completed until the IRS Tax Return Transcript has been submitted to the student's school.*

If the information requested above could not be provided because of the unusual circumstances included below, select the circumstance that applies and provide the required documents, as applicable.

- Individuals Granted a Filing Extension by the IRS** – An individual who is required to file a 2017 IRS income tax return and has been granted a filing extension by the IRS, must provide:
- A copy of IRS Form 4868, "Application for Automatic Extension of Time to File U.S. Individual Income Tax Return," that was filed with the IRS for tax year 2017;
  - A copy of the IRS's approval of an extension beyond the automatic six-month extension if the individual requested an additional extension of the filing time for tax year 2017;

- Individuals Who Filed an Amended IRS Income Tax Return** – An individual who filed an amended IRS income tax return for tax year 2017 must provide:

  - A signed copy of the 2017 IRS Form 1040X, "Amended U.S. Individual Income Tax Return," that was filed with the IRS.

- Individuals Who Were Victims of IRS Tax-Related Identity Theft** – An individual who was the victim of IRS tax-related identity theft must provide:
- A Tax Return DataBase View (TRDBV) transcript obtained from the IRS, or any other IRS tax transcript(s) that includes all of the income and tax information required to be verified; *and*
  - A statement signed and dated by the tax filer indicating that he or she was a victim of IRS tax-related identity theft and that the IRS is aware of the tax-related identity theft.

- Individuals Who Filed Non-IRS Income Tax Returns** – An individual who filed or will file a 2017 income tax return with the relevant taxing authority of a U.S. territory, commonwealth, or with a foreign central government must provide:
- A transcript that was obtained at no cost from the relevant taxing authority of a U.S. territory (Guam, American Samoa, the U.S. Virgin Islands) or commonwealth (Puerto Rico and the Northern Mariana Islands), or a foreign central government, that includes all of the tax filer's income and tax information required to be verified for tax year 2017; or
  - If a transcript cannot be obtained at no cost from the relevant taxing authority, a signed copy of the 2017 income tax return(s).
