

**Bachelor's Degree in Social Sciences  
with a concentration in Psychology**

**Program Total Credits**

120 credits

**Delivery Mode**

Online

**Program Description**

The Bachelor of Social Sciences with concentration in Psychology prepares graduates to continue graduate studies in all areas of professional practice of psychology (psychological counseling, clinical psychology, school psychology, industrial / organizational psychology). In addition, the student will acquire knowledge and skills that will allow him to perform research, prevention and provision of basic services in mental health care.

**Program Objectives**

1. That students acquire basic knowledge in psychology
2. That students demonstrate a sense of social responsibility
3. That students apply scientific inquiry and critical thinking skills
4. That students apply psychology-specific content skills

**General Education Requirements**

All applicants must complete the required general education course work prior to starting the concentration courses.
